# RIFKY ALFAREZ

Tasikmalaya, West Java, Indonesia | alfarez2325@gmail.com| +6289650104144
LinkedIn | Github | Website

Graduated from Informatics of Siliwangi University with a deep interest in web development. Skilled and experienced in designing, developing, and testing websites using modern technologies such as Next.js and React.js.

## EXPERIENCE

**PT. Quadra Karya Santosa**                                                **Bandung, West Java**
Frontend Web Developer Intern                                    September – November 2023

-   Converting designs from Figma into web pages using Next.js, Tailwind CSS, and TypeScript.
-   Developing responsive designs to ensure optimal user experience across various devices and screen sizes.
-   Troubleshooting and resolving issues encountered on the website, ensuring a smooth and bug-free user experience.

**Web Development Freelance**                                        **Tasikmalaya, West Java**
Frontend Developer                                                            June 2024 – Present

-   Designing web interfaces using Figma based on client requirements and brand guidelines.
-   Converting Figma designs into fully functional and responsive website using Next.js, Tailwind CSS, and TypeScript.
-   Implementing Search Engine Optimization (SEO) techniques to enhance website visibility and performance on search engines.

## PROJECTS

**Widi** (link)
Developed by a freelance web development team of two, with me as the Frontend Developer. Designed using Figma and built with Next.js, Tailwind CSS, and TypeScript.

**Kanabagi** (link)
My freelance team profile, designed using Figma and built with Next.js, Tailwind CSS, and TypeScript.

**AnyMe** (link)
My personal project, created to apply my knowledge of API consumption using Axios and React Query, as well as implementing features such as filtering, pagination and searching. It is built using Next.js, Tailwind CSS and TypeScript.

## EDUCATION

**Siliwangi University**                                                        **Tasikmalaya, West Java**
informatics – GPA 3.68/4.00                                                    2020 – 2024

Relevant Course: Informatics Logic, Basic Programming, Algorithm & Data Structure, Object Oriented Programming, Software Engineering, Web Programming.

## SKILLS

Frontend Framework (React.js, Next.js)

Programming Language (Javascript, Typescript)

CSS Framework

Unit Testing Tools (Jest)

Design Tools (Figma)

Deployment (Vercel)

Workflow and Collaboration (Git, Github)

## LICENSING AND CERTIFICATION

Menjadi Front-End Web Developer Expert | Dicoding

Belajar Membuat Aplikasi Web dengan React | Dicoding
